

ECC MISSION STATEMENT

**WE, THE EMPLOYEE-OWNER OF ECC,
EMBODY THE ENTREPRENEURIAL
SPIRIT TO REALIZE OUR DREAMS AND
DARE TO BE GREAT.**

VISION

We are friendly, professional, capable, and trustworthy. We perform safe and high-quality environmental, construction, energy, disaster response, and munitions-related services. We put no limits on the creativity and ability of our people to help our clients succeed in their mission. We proactively align each project and program with our clients' and stakeholders' vision and deliver outstanding performance.

INTEGRITY

We attract and retain high-quality individuals who wish to align themselves with a firm that consistently acts with integrity. We are guided by our core values and constantly seek alignment within our teams and with our clients. We perform each task with personal integrity and are accountable for all our actions.

RESULTS

We deliver excellence in the areas of safety, quality, cost, and schedule, leading to client satisfaction and financial success. We exist to serve our clients, and client satisfaction is the engine that drives our sustainability. We build long-term relationships with our clients by responding enthusiastically to their needs, solving their problems, and delivering outstanding performance on every project. The profit we generate represents a share of the value we add to our clients – it represents a return on investment for our employee-owners and drives our sustainability and prosperity.
